

Guobing Shen--Curriculum Vitae

Professor of *World Economy & International Finance*

Room 722, Institute of World Economy

School of Economics, Fudan University

600# Guoquan Road, Shanghai, 200433

China

Tel: 0086-21-65643508(O); Fax: 0086-21-65647719

E-mail: guobingshen@fudan.edu.cn

Homepage: <http://www.econ.fudan.edu.cn/teacherdetail.php?tid=67>

I. Main Teaching and Research Interests

Undergraduate teaching: International Finance; Money and Banking; **Introduction to Chinese Finance Development (for Foreign Students)**.

Postgraduate teaching: **Monographic Study on Chinese Finance (for Foreign Students)**; Theory and Practice of International Finance; Monographic Study on Sino-U.S. Trade Issues; Study on Theories of Exchange Rate Regimes.

Research fields: World Economy; International Finance; U.S.-China Trade Issues (such as Antidumping Issues; Intellectual Property Rights Protection Issues)

II. Main Education

2000.02–2003.02, *Zhejiang University*, China

Ph.D. of Economics, 2003

Doctoral Dissertation: *the Choice of Exchange Rate Regimes: Proposals for RMB's Exchange Rate Regime*

Nomination Prize of Theoretical Economics of 100 Chinese Excellent Doctoral Dissertations in 2005, Chinese Ministry of Education

1997.09–2000.02, *Zhejiang University*, China

Master of Economics, 2000

Master Thesis: *The Research on China's Interest Rate Market-oriented Reform*

III. Main Teaching and Research Experiences

2010.02–Present, Professor, Doctoral Supervisor, *Fudan University*, China

Teaching: Chinese Finance for Foreign Students; International Finance; Money and Banking; Study on Sino-U.S. Trade Issues; Study on Theories of Exchange Rate Regimes

Research fields: World Economy; International Finance; U.S.-China Trade Issues

2015.08–2016.02, Academic Visitor, *Oxford University*, UK

Project Title: Global Production Networks, Intellectual Property Protection and the Promotion of China's Foreign Trade Competitiveness, Supported by China Scholarship Council.

2013.09.01-2013.09.30, National College of Philosophy and Social Science Teaching and Research Backbone Training Class, Party School of the Central Committee of CPC.

2008.09–2009.09, Academic Visitor, *University of Nottingham*, UK

Project Title: the Research on Strengthening China's Intellectual Property Protection under the TRIPS Agreement

Supported by Chinese National Social Science Foundation Project (07BJY012), and Supported by China Scholarship Council

2006.10–2010.01, Associate Professor, *Fudan University*, China

Teaching: World Economy; International Finance; Money and Banking; Study on Sino-U.S. Trade Issues; Study on Theories of Exchange Rate Regimes

Research fields: World Economy; International Finance; U.S.-China Trade Issues

2005.06–2006.10, Associate Professor, *Shanghai University of Finance and Economics*, and *Fudan University*, China

Teaching: International Finance; Money and Banking; Study on Sino-U.S. Trade Issues; Study on Theories of Exchange Rate Regimes

Research fields: International Finance; U.S.-China Trade Issues

2003.12–2005.12, *Postdoctoral Research of Theoretical Economics*, *Fudan University*, China

Project Title: *The Research on Sino-U.S. Trade Balance Issues*

Supported by Chinese National Social Science Foundation Project (04CJY021)

2003.03–2005.05, Lecturer, *Shanghai University of Finance and Economics*, China

Teaching: International Finance; Study on Theories of Exchange Rate Regimes

Research fields: International Finance; U.S.-China Trade Issues

IV. Major Project Researches and Funding

2017.01-2020.12.25: *The Research on the Promotion of Innovation Protection and Chinese Enterprises' Foreign Trade Competitiveness under Industry Production Networks* (grant 17JJD790002). Financial support from China's MOE Project of Key Research Institute of Humanities and Social Sciences at Universities, Under Study.

2015.11-2018.12: *The Research on the Goal and Path for Promotion of China's Foreign Trade Competitiveness under Global Production Networks and Intellectual Property Protection* (grant 15AZD058). Financial support from Chinese National Social Science Foundation Key Project, Under Study.

2013.01-2016.12, *Sino-US Trade Rebalancing: A Weakening US Dollar Adjustment and China's Revealed Comparative Advantage* (grant 13JJD790005). Financial support from China's MOE Project of Key Research Institute of Humanities and Social Sciences at Universities, Under Study.

2011.07-2014.12: *The Research on the Effect of A Weakening US Dollar Strategy on China's Foreign Trade Development* (grant 11BJY142). Financial support from Chinese National Social Science Foundation Project, Completed in 2015.

2011.10-2013.09: *The Research on the Trade and Non-trade Effects of U.S. Antidumping Actions against China* under WTO (grant 2011C). Financial support from Shanghai Pujiang Program Project, Completed in Sept. 2013.

2011.12-2014.09: *The Study on the Effect of Weakening US Dollar Adjustment on Sino-US Bilateral Trade* (grant 11SG10). Financial support from Shu Guang Project of Shanghai Municipal Education Commission and Shanghai Education Development Foundation, Under Study.

2008.12-2011.12: *The Research on the Trade and Non-trade Effects of U.S. Antidumping Actions against China*. This is supported by the MOE Project (08JJD790138) of Key Research Institute of Humanities and Social Sciences at Universities, Completed in Dec. 2011.

2007.06-2009.09: *The Research on Strengthening China's Intellectual Property Protection under the TRIPS Agreement*. This is supported by Chinese National Social Science Foundation Project (07BJY012), Completed in Sep. 2009.

2006.09-2008.02: *Trade Barriers, Especially Antidumping and Sino-U.S. Bilateral Trade Issues*. This is supported by Shanghai Social Science Foundation Project (2006BJL006), Completed in February 2008.

2004.05-2006.04: *The Research on Sino-U.S. Trade Balance Issues*. This is supported by Chinese National Social Science Foundation Project (04CJY021), Completed in April 2006.

2004.04-2005.03: *The Research on 2004' Shanghai Import & Export Policy Issues*. This is supported by Shanghai Government Policy Consultation Project (2004-A-13-Q), Completed in March 2005.

V. Major Monographs and Books

10. Guobing Shen (2017), *Sino-US Trade Rebalancing: US Dollar Weakening Adjustment and China's Revealed Comparative Advantage* (in Chinese), Beijing: China Financial and Economic Publishing House, October 2017.

9. Guobing Shen (2016), *The Research on the Effect of A Weakening US Dollar Adjustment on China's Foreign Trade Development* (in Chinese), Beijing: *China Financial and Economic Publishing House*, May 2016.

8. Guobing Shen (2013), *International Finance*, 2nd (in Chinese), Beijing: *Peking University Press*, August 2013.

Excellent Textbook Prize from Shanghai Education Committee, April 2015.

7. Guobing Shen (2013), *The Research on Trade Effects and Non-trade Effects of U.S. Antidumping Actions against China* (in Chinese), Beijing: *China Financial and Economic Publishing House*, April 2013.

6. Guobing Shen (2011), *The Economic Analysis on Strengthening China's Intellectual Property Protection under the TRIPS Agreement* (in Chinese), Beijing: *China Financial and Economic Publishing House*, April 2011.

Excellent Monograph Third Class Prize of Shanghai' 11th Philosophy and Social Science, December 2012; Excellent Monograph Third Class Prize of the 17th AN Zijie (安子介) International Trade Research, December 2012.

5. Guobing Shen (2009), *Trade Barriers, Especially Antidumping and Sino-U.S. Bilateral Trade Issues* (in Chinese), Beijing: *China Financial and Economic Publishing House*, February 2009.

Excellent Monograph Third Class Prize of the 6th China's MOE (教育部) University Social Science Research, February 2013.

4. Guobing Shen (2007), *The Research on Sino-U.S. Trade Balance Issues* (in Chinese), Beijing: *China Financial and Economic Publishing House*, May 2007.

Excellent Monograph Prize of the 6th WU Yuzhang (吴玉章) Humanity and Social Science, October 2012;

Excellent Monograph Second Class Prize of Shanghai' 9th Philosophy and Social Science, October 2008; Excellent Monograph Second Class Prize of Shanghai Automotive Educational Foundation, December 2008.

3. Guobing Shen (2008), *International Finance* (in Chinese), Beijing: *Peking University Press*, December 2008.

Third Class Prize of Fudan University Teaching Achievement, June 2010.

2. Guobing Shen (2003), *The Choice of Exchange Rate Regimes: Proposals for RMB's Exchange Rate Regime* (in Chinese), Beijing: *Economic Science Press*, September 2003. Excellent Monograph Second Class Prize of Shanghai Automotive Educational Foundation, April 2006; Excellent Monograph Third Class Prize of Shanghai' 7th Philosophy and Social Science, September 2004.

1. Guobing Shen (2004), *International Finance* (in Chinese), Shanghai: *Shanghai University of Finance & Economics Press*, September 2004.

 15. Guobing Shen (2005), “Trade Statistical Discrepancies and U.S.-China Trade Balance Issues”, **The 5th China Economics Annual Conference Paper**, the Conference held by Xiamen University, China, 2005.
 16. Guobing Shen and Jinchuan Shi (2002), “The Choice of RMB’s Exchange Rate Regime after China’s Accession to WTO”, **The 2nd China Economics Annual Conference Paper**, the Conference held by Northwest University, China, 2002.
 17. Jinchuan Shi and Guobing Shen (2001), “The Choice of Exchange Rate Regimes: A Criterion Containing Many Variables and Its Empirical Application”, **The 1st China Economics Annual Conference Paper**, held by CCER, Peking University, China, 2001.

VIII. Awards and Honors

1. Guobing Shen (2013), *International Finance*, 2nd (in Chinese), Beijing: Peking University Press, 2013. *2015 Excellent Textbook Prize from Shanghai Education Committee*, May 2015.
2. Guobing Shen (2013), *The Research on Trade Effects and Non-trade Effects of U.S. Antidumping Actions against China* (in Chinese), Beijing: *China Financial and Economic Publishing House*, April 2013; **Excellent Monograph Third Class Prize of Shanghai Automotive Educational Foundation**, November 2015.
3. Guobing Shen (2013), *International Finance*, 2nd (in Chinese), Beijing: Peking University Press, 2013. *2015 Excellent Textbook Prize* from Shanghai Education Committee, May 2015
4. **Excellent Paper Prize of Shanghai' 11th Academic Annual Conference, Academic Annual Conference Organizing Committee of Shanghai Social Sciences Association**, November 2013.
5. **Excellent Monograph Third Class Prize of the 6th China's MOE University Social Science Research**, Chinese Ministry of Education, March 2013.
6. **Excellent Monograph Prize of WU Yuzhang (吴玉章) Humanity and Social Science Research**, October 2012.
7. **Excellent Monograph Third Class Prize of The 17th AN Zijie (安子介) International Trade Research**, December 2012.
8. **Excellent Monograph Third Class Prize of Shanghai' 11th Philosophy and Social Science**, December 2012.
9. **Excellent Monograph Second Class Prize of Shanghai Automotive Educational Foundation**, November 2012.
10. **Excellent Paper Prize of Shanghai' 9th Academic Annual Conference, Academic Annual Conference Organizing Committee of Shanghai Social Sciences Association**, November 2011.
11. **Excellent Paper Second Class Prize of The 6th China Trade Relief and Industry Security Research**, Chinese Ministry of Commerce, December 2010.
12. **Excellent Paper Second Class Prize of The 5th China Trade Relief and Industry Security Research**, Chinese Ministry of Commerce, December 2009.
13. **Excellent Paper First Class Prize of The 4th China Trade Relief and Industry Security Research**, Chinese Ministry of Commerce, December 2008.
14. **Excellent Monograph Second Class Prize of Shanghai' 9th Philosophy and Social Science**, October 2008.
15. **Excellent Monograph Second Class Prize of Shanghai Automotive Educational Foundation**, December 2008.
16. **Excellent Postdoctoral Researcher**, Fudan University, December 2008.
17. **Fuhua Prize of Teaching and Social Scientific Research**, Fudan University, Nov. 2008.
18. **Excellent Paper Second Class Prize of Shanghai' 8th Philosophy and Social Science**,

October 2006.

19. **Excellent Monograph Second Class Prize of Shanghai Automotive Educational Foundation**, April 2006.
20. **Excellent Paper Third Class Prize of The 13th AN Zijie (安子介) International Trade Research**, December 2005.
21. **Excellent Paper Prize of Shanghai' 3rd Academic Annual Conference**, December 2005.
22. **Nomination Prize of Theoretical Economics of 100 Chinese Excellent Doctoral Dissertations** in 2005, Chinese Ministry of Education, July 2005.
23. **Excellent Monograph Third Class Prize of Shanghai' 7th Philosophy and Social Science**, September 2004.
24. **Excellent Teaching Third Class Prize**, September 2006. **Excellent Prize of Teaching and Scientific Research**, September 2004. Shanghai University of Finance and Economics.
25. **Excellent Paper Second Class Prize of The 11th AN Zijie (安子介) International Trade Research**, March 2004.
26. **Chairman Prize of Chinese Society of World Economy**, June 2003.

IX. Academic Referee

Singapore Economic Review;

Journal of Economics; China and World Economy;

Journal of Chinese Economic and Foreign Trade Studies;

the Journal of World Economy (in Chinese);

The Journal of Quantitative & Technical Economics (in Chinese);

Journal of Finance and Economics (in Chinese);

Social Sciences in China (in Chinese).

X. Academic Visiting Experience

2017.12, Academic Visitor, *RIEB, Kobe University, Japan.*

Project: The Fudan-Kobe Joint Workshop: the Impact of the China Factor in East Asia, *Jointly Hosted by RIEB Seminar/Rokko Forum/Fudan IWE, Kobe University, Japan.*

2016.10, Academic Visitor, *California University of San Diego, US.*

Project: Academic Conference on Sino-US Trade and Investment Issues, *Fudan-UC Center on Contemporary China, UCSD, US.*

2016.03, Academic Visitor, *COMSATS Institute of Information Technology, Pakistan.*

Project: "Sino-Pakistan and Sino-India Foreign Trade Competitiveness under One Belt and One Road Strategy: A Comparative Analysis", International Conference on Sino-Pakistan Economic and Trade Issues, *Institute of Information Technology, Pakistan.*

2015.08–2016.02, Academic Visitor, *Oxford University, UK.*

Project: **Global Production Networks, Intellectual Property Protection and Promotion of China's Foreign Trade Competitiveness**, *Supported by China*

Scholarship Council.
